

Google Docs

Free app you can install from your app store

Start a new document

You may see documents in your Google Docs folder already.
(If you open Word attachments in Gmail, they will save to the Drive)

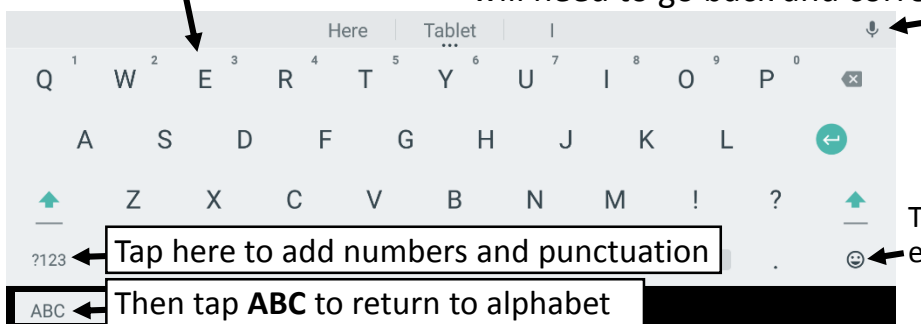

Tap the blue plus button to start a new document

Add Content

Two ways to add text:

1. **Type on the keyboard** – Either type right on the device or you can purchase a Bluetooth connected external keyboard.

2. **Talk to type** - Tap on the microphone and talk. The device will make the best guess at what words you are using but most likely you will need to go back and correct the text.

Tap here to add numbers and punctuation

Then tap **ABC** to return to alphabet

Tap here to add an emoji 🤔 😊 🙄 🌸

Highlighting Text

- You need to highlight the words in order to format

To select a portion of the document:

1. Long press over the first word

2. Drag tab across words you want to highlight

To select the whole document:

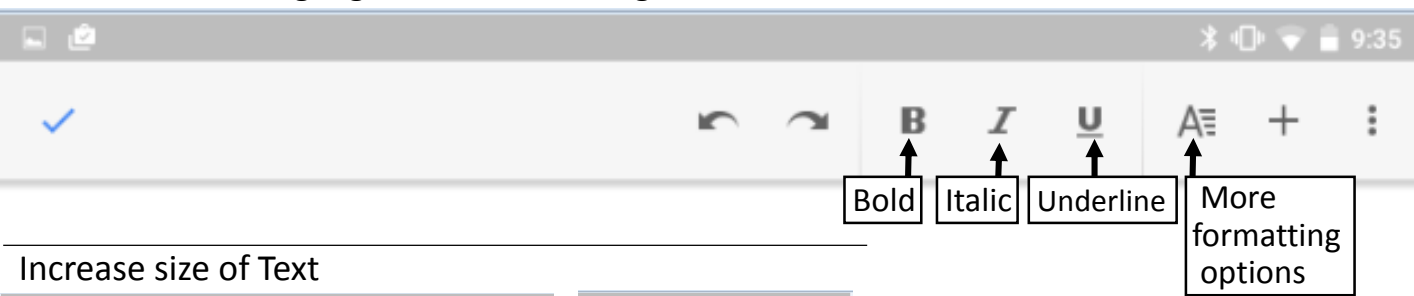

1. Long press over a word

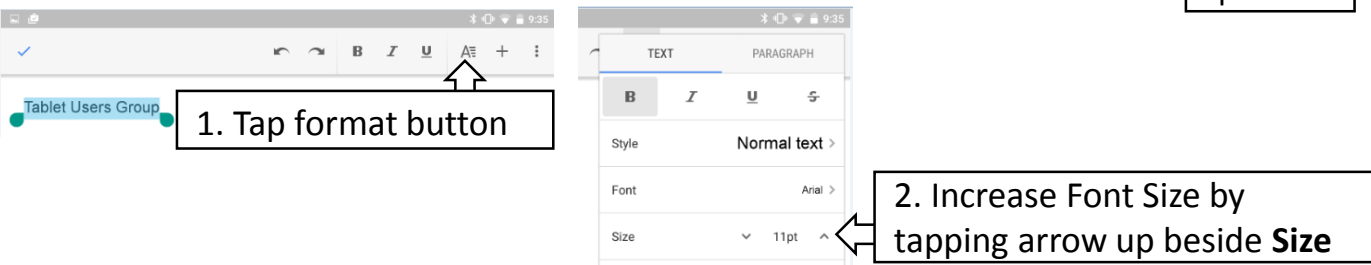

2. Tap **Select All** in the box that will appear below

SELECT ALL CUT COPY PASTE INSERT LINK ...

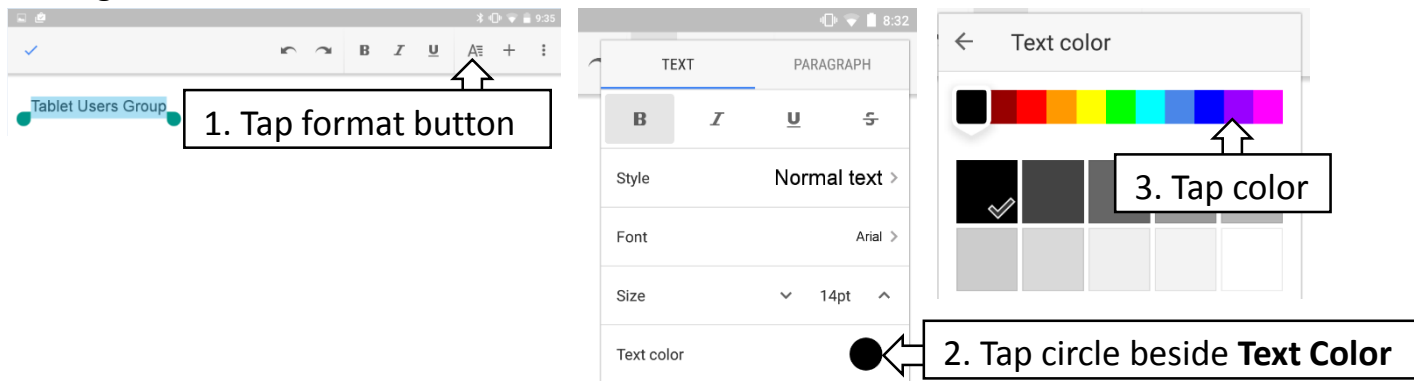

Format Text – highlight text to be changed

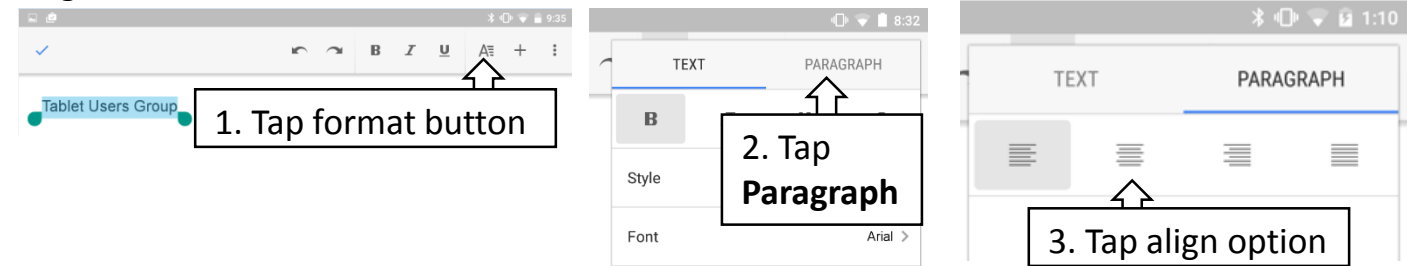

Increase size of Text

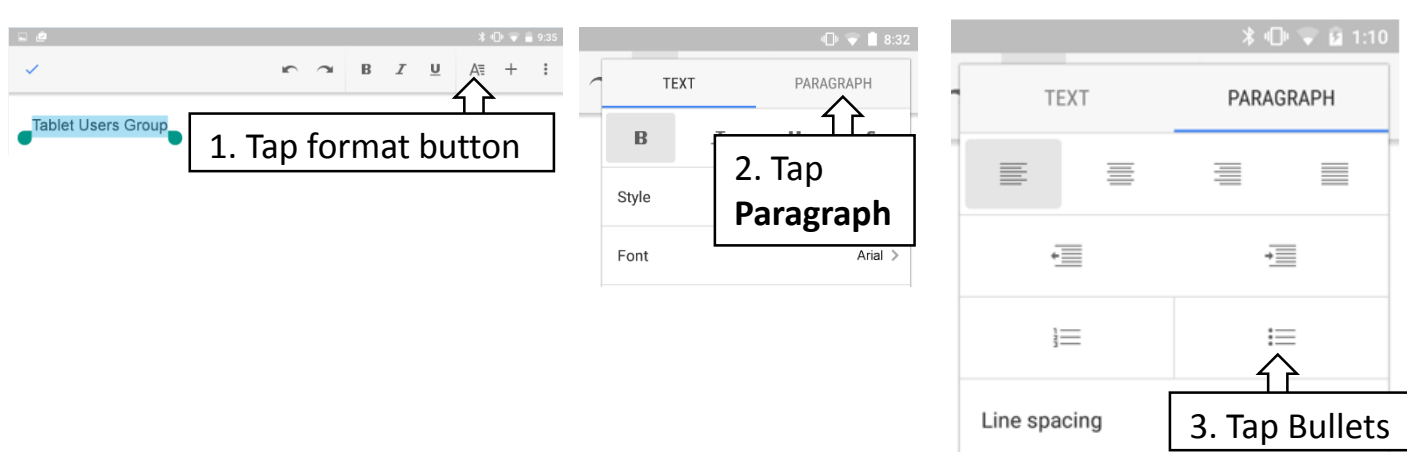

Change the color

Align

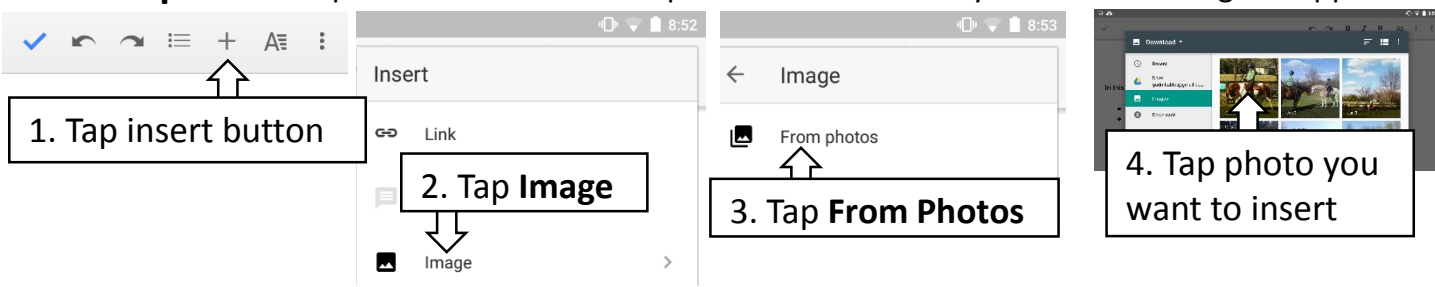

Bulleted list

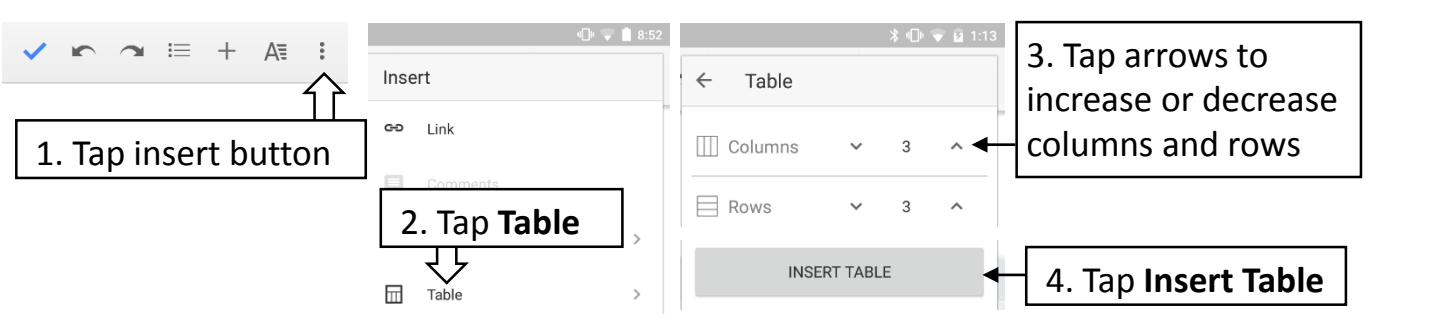

To close the format window - tap outside of format window, Tap again to end selection

Insert a photo – Tap into the document to put the cursor where you want the image to appear.

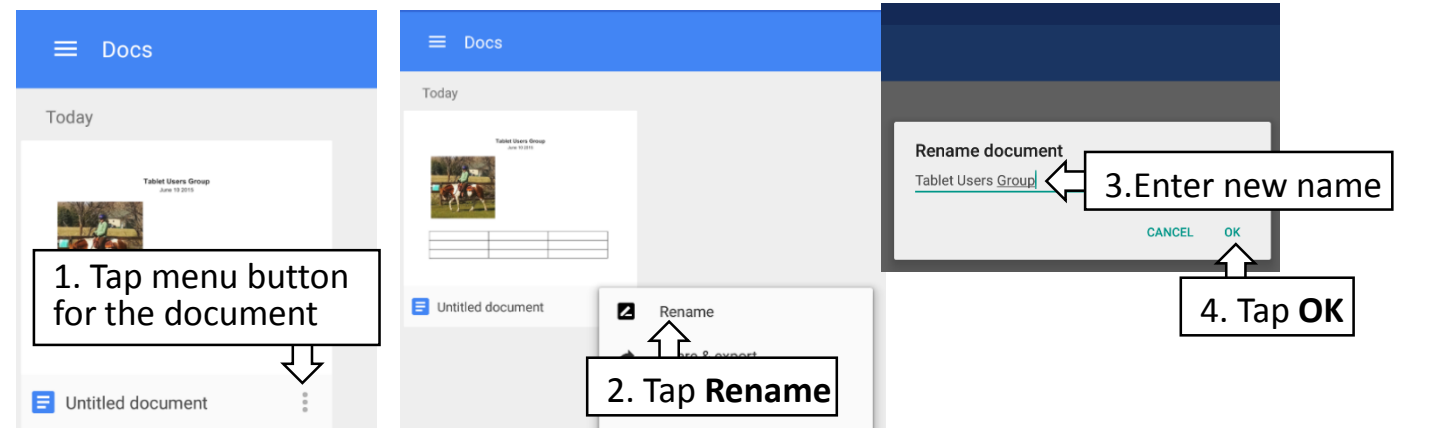

Insert a table – Tap into the document to put the cursor where you want the table to appear.

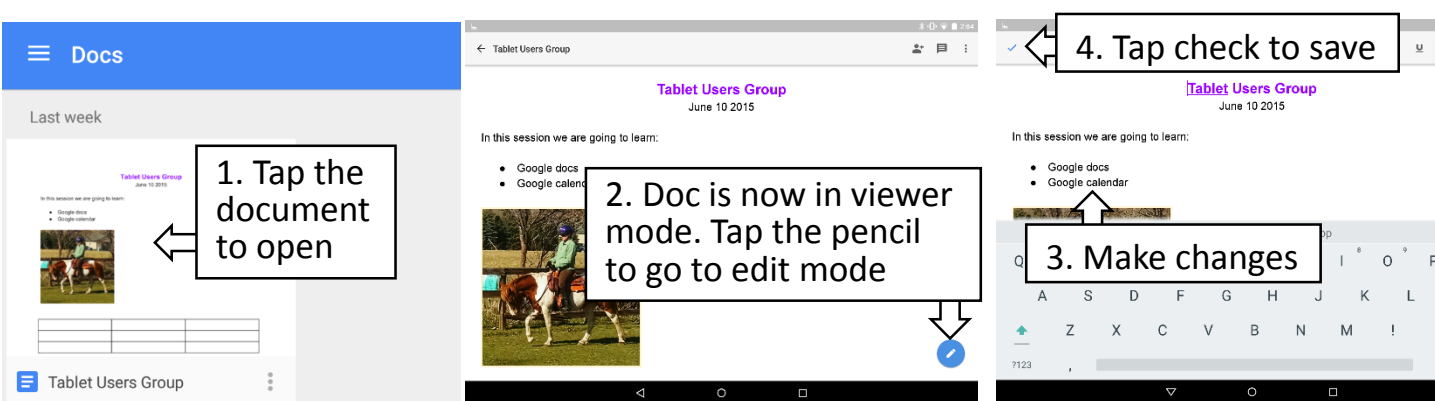

Save and Exit the Document

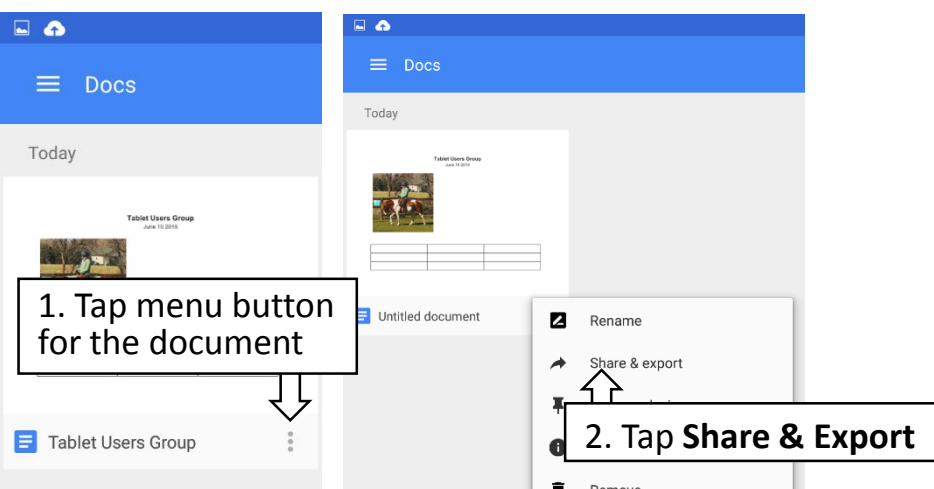

Rename the Document

Edit the document once created

Share the Document

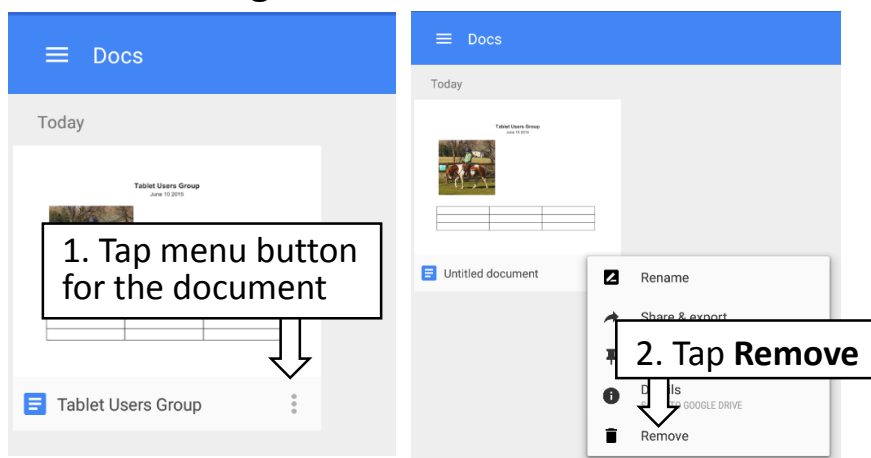

Share will send an email from Gmail with a link to the document that stays in your online folder. If you allow, other people can edit your document.

Share Link will create a web link to the document that stays in your online folder. If you allow other people can edit your document. You can paste the link into another email service besides Gmail or Facebook or other places. Apple devices the wording is "Copy link to clipboard."

Send a Copy will create and attach a copy of the document to an email. You can choose to convert to Microsoft Word or a PDF.

Add a new event

1. Tap the red plus button to start a new event

2. Tap into top entry and identify the event

3. Tap on the date and then tap the date of your event, tap **OK** (Your device might use the word **Done** instead)

When you start typing Google may show suggestions. Tap one that works for you or just keep typing

New event SAVE

Enter titles, people and places

All-day ☐

Thursday, Jun 4, 2015

Thursday, Jun 4, 2015

more options

Add location

30 minutes before

Add another notification

Invite people

Default color

Add note

Add attachment

5. When event is complete, tap **Save**

4. Tap on the time, tap correct hour, tap correct minute, tap AM or PM tap **OK** or **Done**

More options for your new event

Add the location where the event will be held.

Get a reminder of your event. Tap the option you want or tap **Add another notification** and **Custom** to create your own new option

Invite other people to your event. Type the email address of the person. Tap check button on the keyboard

You can select a color for the event to distinguish it from other events

Give yourself a reminder or send a message to the people you invite.

Select a document from your Google Drive to attach to the event and send to the people you invited.

The screenshot shows the 'New event' screen in Google Calendar. At the top, there is a blue header with a back arrow, the title 'New event', and a 'SAVE' button. Below the header is a text input field labeled 'Enter titles, people and places'. The main content area has several sections: 'All-day' with a toggle switch, a date and time section showing 'Thursday, Jun 4, 2015' from '11:00 AM' to '12:00 PM', and a 'more options' link. Below this is an 'Add location' section with a location pin icon. The 'Add another notification' section shows a bell icon and '30 minutes before'. The 'Invite people' section has a group of people icon. The 'Default color' section shows a blue circle. The 'Add note' section has a list icon. The 'Add attachment' section has a document icon. At the bottom, there is a black navigation bar with three icons: a back arrow, a circle, and a square.

Since I am sending an attachment, I might need to set the options for sharing for the document with other people.

The screenshot shows the 'Sharing options' dialog box. It has a title bar with a close button. The main content area has two radio buttons: 'Anyone with the link:' (selected) and 'Do not share'. Below 'Anyone with the link:' is a dropdown menu labeled 'Can view' with the text 'Guests do not need a Google Account.' Below 'Do not share' is a 'CANCEL' button and a 'SHARE' button.

Tap arrow

The screenshot shows the 'Sharing options' dialog box with the dropdown menu open. The dropdown menu has three options: 'Can view', 'Can comment', and 'Can edit'. The 'Can view' option is selected. Below the dropdown menu is a 'CANCEL' button and a 'SHARE' button.

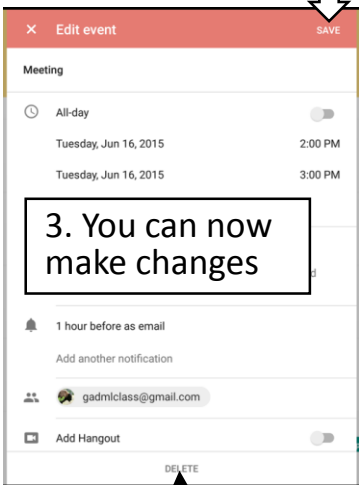

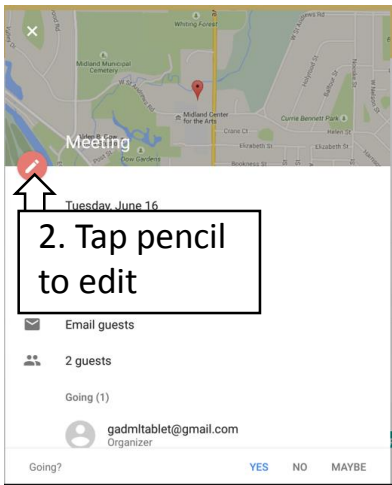

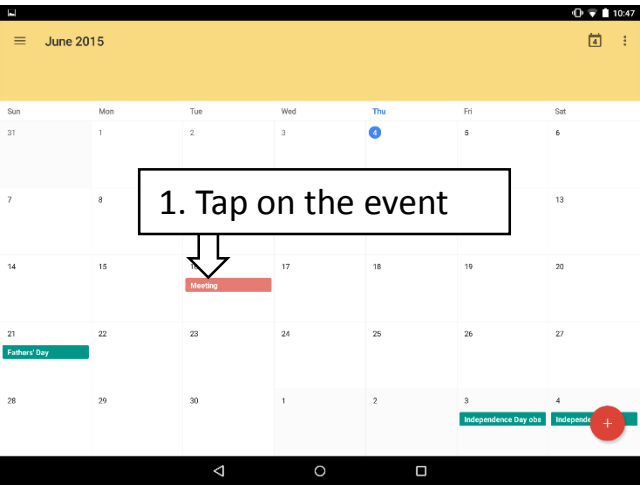

Tap sharing option

The screenshot shows the 'Sharing options' dialog box with the 'SHARE' button highlighted. The 'Can view' option is selected in the dropdown menu. Below the dropdown menu is a 'CANCEL' button and a 'SHARE' button.

Tap Share

Edit event once created

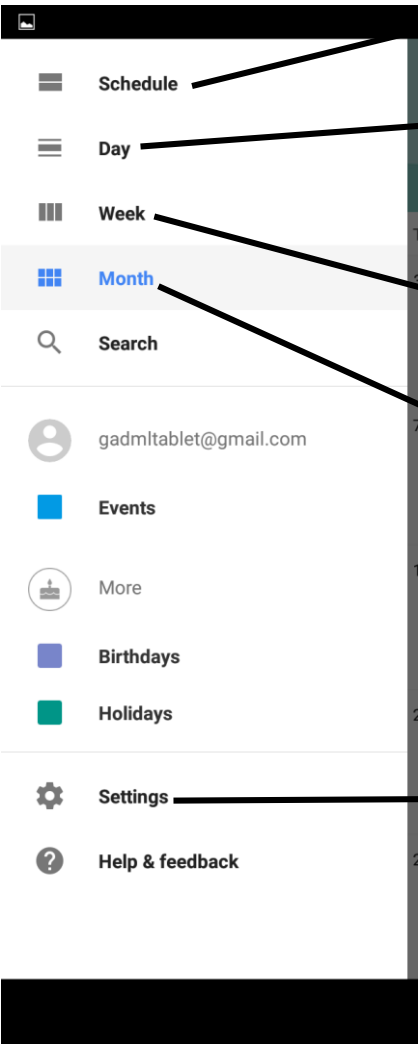

4. Tap **Save** to save the changes
